

台風・地震などの非常時における生徒の登下校について  
Responds towards Natural Disaster and Emergencies

1 If there is a wind storm alert occurs before going to school

Windstorm warning	Class	School Lunch
If the alert has been released before 7am.	There will be a normal class. Please let your child go to school.	School Lunch will be provided. You will be informed of providing it in the previous day.
If the alert has been released in between 7am-11am.	There will be classes after lunch.	No school lunch will be provided.
If there is still an alert pass 11am.	Classes will be suspended, no need to go to school	

If there is an intensity 5 earthquake alert before going to school  
**Stay at home. Never let your child go to school.**

2 If there is a wind storm alert while at school.

All of the classes and some other activities will be suspended of that day and let your child go home immediately. (supervised by the teaching staff)

3 If there is intensity 5 earthquake.

All of the classes and some other activities will be suspended of that day and let your child go home immediately. (supervised by the teaching staff)

If there are some dangerous places found on the designated route to and from school, make your child stay and ask the parents/guardians to pick up.

4 If there is a special alert

**Before going to school**

If the alert has been released after 7am, there will be no classes, let your child stay at home.

**While at school**

If the alert has been released, classes will be suspended immediately, let your child stay in the classroom and later we might ask the parents or guardians to pick up. We will also provide information through the website and mail.
